

# PVC Profile

Great ideas to shape a whole new world

## APPLICATIONS

- Doors
- Partitions
- Wall Panellings
- False Ceiling
- Kitchen Cabinates etc.

*Presenting a revolutionary concept to shape your dreams in construction. PVC Profile are used and accepted worldwide as perfect alternative to wood and steel because extensive use of wood leads to deforestation and imbalance of the ecology. Unlike wood, PVC Profile are termite proof, borer proof, water proof and fire retardant too. These PVC Profile are elegant, durable and long lasting, easy to install and maintenance free and above all highly economical too.*

*Cactus Profiles Pvt. Ltd. is a hi-tech manufacturer of PVC Profile. We, manufacture these Profile using the state-of-the-art fully automatic plant and machinery. We have fully equipped tool room, competent manpower and all other required infrastructure at our disposal.*

### *Special Features*

- **Water Proof** : Since no amount of water or moisture can affect CACTUS PVC Profile Sections, with them you will never have to experience troubles like rusting, jamming, warping, bending, splitting, cracking or rotting.
